

THE THOMPSON COLLECTORS ASSOCIATION DISPLAY AT THE 2005 MARYLAND ARMS COLLECTORS SHOW

This was the first time that the Maryland Arms Collectors allowed a submachine gun display. We brought enough guns and related items for two tables.

The display contains a Savage and Auto Ordnance Model 28, an Auto Ordnance M1, 2 West Hurley Model 28 and an assortment of drum and stick magazines, pictures and manuals.

The show team Pat (TCA Treasurer) & Dana and Bill & Carol (TCA President)
