

THE THOMPSON COLLECTORS ASSOCIATION DISPLAY AT THE 2006 & 2007 MARYLAND ARMS COLLECTORS SHOW

For our 2nd and 3rd trips to this highly attended regional show we updated the display and brought more guns (more is always better isn't it?). The show organizers are great and the display is prominently located in the show ring. We get a lot of traffic and hear many Thompson stories.

The display contains a Colt M21A, a Colt M28 Navy, Savage and Auto Ordnance Model 28s, an Auto Ordnance M1, 2 West Hurley Model 28 and an assortment of drum and stick magazines, pictures and manuals.
